CPC is moving

Effective Monday, June 12, 2006, CPC will be occupying its new office space which is within walking distance from our current location. CPC is moving this weekend to 8403 Colesville Road, Suite 500, Silver Spring, MD 20910. The new central call number will be 301-713-3444. The 800 numbers (CPC and Recruiting) and the fax number will remain the same. During the transition week of June 12-16, CPC will have limited access to files. The check in procedures in the new building are different than those of our current location. The new building requires a special security badge to access the floor that CPC and OMAO occupy. Therefore, a member of the staff will have to meet you in the lobby and accompany you upstairs.
