FY13 Officer Corps Management Plan

On 19 November, RADM Devany signed this year's Officer Corps Management Plan (OCMP). The OCMP presents the current state of the NOAA Corps workforce and provides recommendations for Fiscal Year (FY) 2013 promotion zones. The OCMP serves as an execution plan based on properly managing the Corps' promotion process to ensure officers have the appropriate opportunity to gain the necessary experience to be eligible for the next grade. The OCMP is posted on the CPC Website and accessible via this [link](#).
