Retired Pay Estimates

The U.S. Coast Guard does not provide retired pay estimates. Estimates may be calculated by visiting the USCG Retirement Processing webpage at <http://www.uscg.mil/ppc/ras/retirementprocessing.asp>. Clicking on "Active Duty Retirement" under Retired Pay Calculators will direct you to the U.S. Air Force retired pay calculator. Air Force ranks are used, however, this calculator is applicable to and used by all uniformed services. There are also links to information about the Survivor Benefit Plan and calculators for cost and annuity.
