How Will You Use Continuation Pay?

Your Coast Guard Personal Financial Manager can help you make a plan!

There are several things you can do with your Continuation Pay, and you can do more than one! This choice is very much an individual decision and should be based on your current financial situation. Now is a good time for a financial checkup before considering possible options for your Continuation Pay:

Pay Down Debt!

Do you have credit card, student loan, or other types of debt? How much interest are you paying? Consider paying down your debt. Where should you start? Typically, start with the debt with the highest interest rate unless you can quickly pay off a smaller debt completely.

TIP: *Adding extra money to payments makes for a quicker payoff.*

Save It!

Where's the best place to save? A number of options exist, including savings account, certificate of deposit, or money market account. Do you have an emergency or reserve fund for a rainy day?

TIP: *Check the annual percentage yield (APY) and terms of agreement before placing money into any account.*

Invest It!

Are you looking to the future and want to find ways to better use your money? There are many options available including the Thrift Savings Plan, Individual Retirement Accounts, stocks, bonds, mutual funds, real estate, or 529 plans. Before you invest, complete a budget checkup and talk to an investment professional. Watch IRS contribution limits!

TIP: *Be aware of annual contribution limits on retirement accounts. Review your spending plan and talk to an investment professional before investing.*

Spend It!

Use caution when considering this option. Could you use your money more wisely? Complete a budget checkup and if your finances are in good order, consider using your CP for something like a vacation, big project, vehicle, or house down payment.

TIP: *Before you spend your CP, review your spending plan to ensure your savings goals are on track and your debt-to-income ratio is reasonable.*

Gift It!

You can choose to gift or donate any or all of your CP. Depending upon where you donate, you do have the potential for a tax deduction. Complete a budget checkup to ensure you are meeting your goals before donating.

TIP: *Review your spending plan to ensure your finances are in good order before you donate your CP.*
