## **Announcements**

### **Constructive Suggestions for the Betterment of NOAA and the Corps**

This page allows officers to offer suggestions for the betterment of NOAA and the Corps. Currently, the End-of-Year Service Report (SR) captures this information, but only once a year. By allowing officers to provide suggestions/comments at any time, we hope to be able to address issues in a more timely manner versus simply once a year. This page will allow officers to submit questions/concerns on any topic (i.e., assignments, PCS orders, OERs, etc.) and have them go directly to a designated point of contact. All e-mails will be tracked in a database and posted per topic for all officers to view. This will allow the Commissioned Personnel Center to create a "sounding board" to generate a source of shared information with the entire NOAA Corps. The Suggestions page can be found by logging into OPF online, then selecting "Suggestions" on the left side of the page. The link to this page is:
