MEMORANDUM FOR: Chair, Officer Personnel Board

FROM: 
Rear Admiral David A. Score, NOAA
Director, NOAA Corps

SUBJECT: PRECEPT CONVENING AN OFFICER PERSONNEL BOARD
TO RECOMMEND OFFICERS OF THE NOAA CORPS ON
THE LINEAL LIST FOR PROMOTION TO THE GRADE OF
LIEUTENANT

Pursuant to NOAA Corps Directives 04203, 04204, and 04205, a Selection Board is appointed to consider officers for promotion to the grade of lieutenant.

In accordance with NOAA Corps Directives, Chapter 4, Part 3, Qualifications, NOAA Corps officers eligible for promotion shall be found to be mentally, physically, and professionally qualified. The NOAA Corps' operational excellence requires an array of skills and expertise. Every community contributes to our overall success. Each community is essential and provides its own path to leadership and technical proficiency, though opportunities for command may come at different levels and numbers depending on the community. Successful operational and key staff positions are all important in demonstrating an officer's potential. The Board should consider the officer's abilities and future potential which includes achieving the necessary certifications and qualifications to serve in assignments at the next rank.

All proceedings of this Board will be undertaken consistent with NOAA-wide policies concerning equal employment opportunity and equal treatment, as well as Executive Branch Principles of Ethical Conduct. To assist the Board deliberations, the Director, CPC, will provide, at your request, summaries of NOAA's current policies. The NOAA Corps' commitment to equal opportunity, without regard to race, creed, color, gender, national origin, or occupational specialty, must be without question and readily apparent to all whom would independently review this commitment.

Subject to existing law, directives, and the oath taken, each Board member is to be governed by his/her own judgment when giving weight to the broad qualification criteria, which are contained in NOAA Corps Directive 04303. You should emphasize to the members of the Board the importance of their obligation to confine themselves to facts of records and not predicate judgments on rumor or hearsay. At the end of your deliberations, all members must be able to say that the officers recommended for promotion are in the opinion of at least a majority of the Board, the best qualified to carry out the duties and responsibilities of the grade for which they are selected.

The promotion zone shall consist of twenty-three (23) lieutenants (junior grade) on the lineal list consisting of the most senior officer in the grade of lieutenant (junior grade); namely, LTJG Hefferan and those twenty-two (22) officers junior thereto who have not been previously selected for promotion. Up to twenty-one (21) best qualified officers shall be recommended for promotion.

The Board shall convene at 0800 on Wednesday, May 11, 2016 at OMAO, 8403 Colesville Road, Suite 500, Large Conference Room, for the purpose of considering all officers in the grade of lieutenant (junior grade) who are eligible for consideration for promotion to the grade of lieutenant in the NOAA Corps. Members of the Board shall swear or affirm that they will, without prejudice or partiality, and having in view both the records of the officers, and the efficiency of the NOAA Corps, perform the duties imposed upon them.

The following officers will comprise the Board membership:

The following non-voting members are authorized to assist the Board as needed.

Captain Jeremy M. Adams, Director, Commissioned Personnel Center (CPC)
Monica M.P. Mathews, Deputy Director, CPC
