### **(Optional) 2-Day Individual Training Tracks**

#### **Boots to Business**

Boots to Business (B2B) is an entrepreneurial education and training program offered by the U.S. Small Business Administration (SBA) as part of the Department of Defense's Transition Goals, Plans, & Success (GPS) Program. The curriculum includes steps for evaluating business concepts, the foundational knowledge required to develop a business plan and information on SBA resources available to help access start-up capital and additional technical assistance.

**14-15 Nov. 2018    20-21 Feb. 2019    19-20 Jun. 2019    18-19 Sep. 2019**

---

#### **Accessing Higher Education**

Accessing Higher Education (AHE) guides and assists service members pursuing college education with preparation for the college application process. This course will guide you through the variety of decisions involved in choosing a program, preparing for the college admissions application process, and securing funding. The expected outcome is that participants will create a customized plan for successful transition to a higher education institution.

**16-17 Jan. 2019    24-25 Apr. 2019    24-25 Jul. 2019**

---

#### **Career Technical Training**

Conducted by the Department of Labor, the Career Technical Training Track (CTTT) assists service members in transitioning to civilian life, while navigating through the choices and decisions involved in selecting a technical career. Participants will receive assistance in identifying required credentials and investigating training options to pursue those qualifications. During CTTT, participants will define their personal technical career goals; identify required credentials; find technical training opportunities; identify local Veteran resources; and create a plan to utilize their VA education benefits.
