Officers are encouraged to email the NOAA Corps Policy Program Manager with any NOAA Corps Directive clarification needs or questions that they may have at noaacorps.policy@noaa.gov.

Once policies have been drafted in CPC, it takes an average of 60 days for OMAO, DOC OGC and NOAA review and clearance process. Policies and amendments are not posted until approved by the Department of Commerce. The allotted time for review and clearance may vary depending on a number of variables including the urgency and volume length of the policy.
